MISSION STATEMENT

Kincaid aims to develop the individual talents of young people by teaching them to relate the experience of the classroom to the realities of the world outside. Strong emphasis is placed on the ideals of international understanding and responsible citizenship, so that KISB students become critical and compassionate thinkers, life long learners and informed participants in local and world affairs, conscious of shared humanity that binds all people together while respecting the variety of cultures and attitudes that make for the richness of life.

AIM

Instructing children in learning how to learn and how to evaluate information critically.

GOAL

The goal of education at all levels to provide young people with the values and opportunities that will enable them to develop sound judgment and choose wisely, In other words, the development of the whole child.

MOTTO

Ordinary kids can perform extraordinarily

Our philosophy

To create harmony and better understanding among our students so that they will grow up to be stable and respectable pillars of the society. The students are aware of and sensitive to experience of others.

Our Mission

To provide a broad based education platform combining diversity of social and cultural origins of children enrolled at our school.

Our approach

Our program focuses on the development of the whole child, not only in the classroom but also in the world outside the classroom, through other environments where children learn. We offer a framework that meets each individual child's needs.
